- **Sign up online at www.champsystems.com/seminar.htm**

In business, some choices just make great sense. That's certainly the case with Sage Software business solutions. For the past 25 years, Sage Software has been providing small and medium-sized companies with integrated solutions that help bring people and processes together for increased efficiency. At our upcoming seminar, you'll learn about ways to streamline different areas of your business, including:

- Consolidating all your company's financial data
- Easily creating presentation-quality reports
- Improving your control of sales, inventory, and purchasing
- Improving cash management
- Increasing overall productivity
- Integrating with Microsoft Office® products
