

Champ Systems Enhancement Maintenance Policy

A Champ Systems annual maintenance subscription is available for all catalog enhancements currently offered. The subscription is designed to keep your enhancement(s) current as new versions of MAS 90 · MAS 200 are released. It is highly recommended that a maintenance subscription be purchased at the time of enhancement purchase.

Maintenance Subscription Includes:

Upgrades and updates to latest version for currently owned platform*. Subscriber is entitled to all upgrades and updates (based on availability) for a one-year period.

Term of Subscription:

Maintenance subscriptions are valid for one year from the date of purchase. Subscriptions should be purchased at the same time; and in conjunction with the enhancement purchase. If the subscription is not purchased at time of enhancement purchase, it may be purchased at any time without penalty. Subscriptions may be renewed at end of term at current published prices.

Our Commitment:

At Champ Systems we strive to deliver quality programming in a timely manner. When possible, upgrades are made available within 30 days from date of the MAS 90 · MAS 200 upgrade/update release.

**Upgrades and updates are not auto-shipped upon release. Subscriber must notify Champ Systems to have disk shipped. Most upgrades/updates can also be emailed for an additional charge.*
